

## WEST HAVEN

## CSI ACADEMY: UNH

ARNOLD GOLD — NEW HAVEN REGISTER

McKenzie Morrison, right, 16, of Northport, Long Island, takes photos at a mock crime scene at the end of the first session of Crime Scene Investigation Academy at the University of New Haven's crime scene house in West Haven.

Evidence is gathered, bagged and recorded at a mock crime scene to culminate the first session of Crime Scene Investigation Academy at the University of New Haven in West Haven last week.

Tayanna Jennett, 16, of West Haven, examines a pair of tweezers for possible blood or hair samples during a mock crime scene investigation.

Professor Peter Massey, center, explains to Sean Lohle, left, 15, of Bethel, and John Santos, 16, of West Haven, how to dust for fingerprints at the end of the first session of Crime Scene Investigation Academy at the UNH crime scene house.
