

STUDENT ORIENTATION ADVISING & REGISTRATION

Michael J. Rossi, Ph.D. | Associate Dean

University of
New Haven

**POWER
ON**

Student Success is Important to Us!

- ✓ Encourage them to address any concerns

EARLY.

- ✓ Listen to them. It can be tough for a kid who had dreamed of being a history professor, doctor, engineer, or chemist to realize the profession is not a good fit.
- ✓ Reinforce how big a jump it is to go from high school to college.

B.A. Interdisciplinary Studies

Create a unique major by combining 2 minors. Blend interests, broaden your intellectual horizons, feed curiosity, and develop skills to help you pursue career goals.

Flexibility, Engagement, Purpose

- Coordinate with an advisor to design a curricular plan
- Collaborate with Peers
- Develop an Integrative Capstone Experience

New interdisciplinary minor:

Ukraine, Russia, and Eurasia Studies

Learn about the lands, societies, and states stretching from Europe to Asia, drawing on the multidisciplinary experience and professional expertise of faculty from across the university.

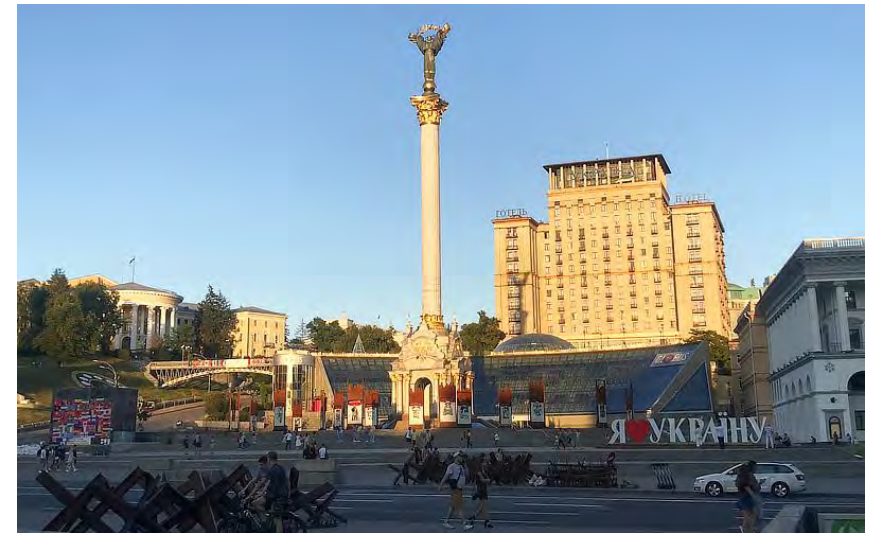

Requirements: choose six courses (18 credit hours) in Economics, History, Humanities, National Security, and Political Science.

No foreign language requirement, but we encourage you to consider the Russian language and culture minor.

Nezalezhnosti (Independence Square), Kyiv

For more info, contact Professor Bradley Woodworth: bwoodworth@newhaven.edu

This is just a sample of our minors

- Art
- Communication
- English
- Environmental Science
- Graphic Design
- History
- Language and Area Studies
- Legal Studies
- Marine Affairs
- Mathematics
- Music
- Philosophy
- Political Science
- Professional and Technical Writing
- Race and Ethnic Studies
- Sociology
- Sport Communication
- Theater Arts

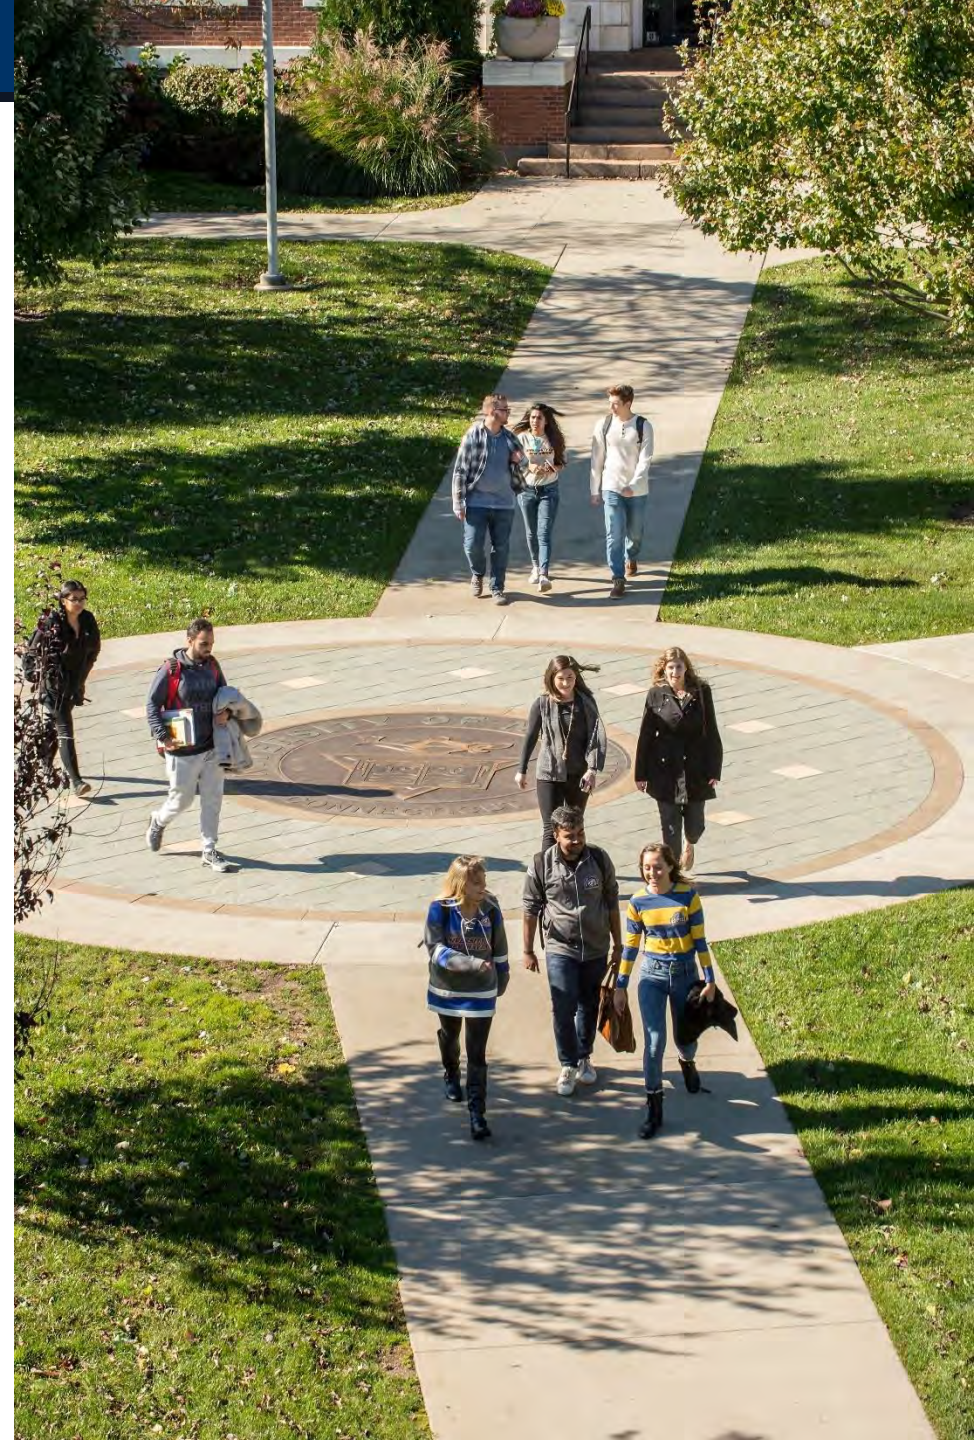

The Fall Schedule

EVERY COURSE COUNTS towards either a major requirement or core a requirement.

No math on schedule?

If they want to take a **FOREIGN LANGUAGE** and have some prior exposure to the language, they should take the placement test to get a better idea of their true level

Questions students may want to ask their advisor...

Should I double major? How can I do that and still graduate in four years?

What are the 4+1 options?

What about minors?

How do I plan my studies so I can spend a semester abroad?

Sources of transfer credit

How does my student find out who their advisor is?

NO! Look into the 4+1 options

What Kind of Computer is Needed

What kind of computer should I purchase?

Select a major from the dropdown to see the minimum laptop recommendations for your selected major:

Depending on your major, you may be required to purchase Parallels on your MacBook to run Windows applications. Please ask your professor for more details.

Choose a Major:

Select a Major

¹. For engineering, Windows Laptops are required by all students. Please contact the Engineering department for more details.

Career Planning...

Tools to help students think about what careers suit their personality and interests

Advice and assistance on resumés, internships, interviews, earnings potential of different career paths

Career fairs and information sessions

Opportunities to meet successful alums (eager to help students)

Keys to success

- Be strategic in time management.
- Get to know professors.
- Students should ASK how they're doing in their classes.
- If they need help, encourage them to reach out early.
WE WANT STUDENTS TO SUCCEED.
- Get involved!
