## Medical and Health Services Manager

 #4 in 100 Best Jobs

Health care systems are like well-oiled machines, and it's the job of medical and health services managers to keep all the parts running. These professionals might hire staff members, manage budgets, create goals for a department and increase the efficiency of health services, as well as manage a practice for a group of doctors, manage a medical facility or manage a department. **READ MORE »**

# Student Resources

The screenshot shows the 'myCHARGER' website interface. The top navigation bar includes 'myCHARGER' and 'STUDENT RESOURCES'. A left sidebar contains a menu with items like 'Welcome', 'COVID-19 Information', 'Academics', 'Student Resources' (highlighted), 'Diversity, Equity, Inclusion, and Belonging', 'Faculty Resources', 'Employee Resources', 'Human Resources', 'One Stop Student Financial and Registrar Services', 'Library', 'Public Safety', 'University Policies and Procedures', and 'Information Technology'. The main content area features a yellow 'Important News' banner with the heading 'Emergency or Urgent Facilities Request' and a text block: 'If you have an EMERGENCY or URGENT REQUEST, please call the Facilities Operations Center 24/7 Phone Service at 203-932-7087 any day and any time for an immediate response.' Below this is another yellow banner for 'Welcome Students' with an image of a mascot. To the right of the image are links for 'Division of Student Affairs', 'Student Affairs Staff', and 'Student Feedback Form'. A welcome message follows: 'Welcome to the Student Resources page! Here you can find many useful links, from Student Affairs offices and contact information to important policies and public safety information.' At the bottom, it says: 'Have a question, kudos, comment, or concern? The Office of the Dean of Students wants to hear from you! Please fill out the Student Feedback Form above and we will respond promptly.'
