A photograph of the Bergam Center at the University of New Haven at night. The building is a modern structure with a mix of stone, brick, and large glass windows. A prominent glass-enclosed staircase or elevator shaft rises from the entrance area. The interior lights are on, and the entrance is brightly lit. The text "BERGAM CENTER" and "FOR SCIENCE, TECHNOLOGY, AND INNOVATION" is visible above the entrance. The foreground shows a paved walkway and a grassy area.
